אוניברסיטת בן-גוריון בנגב מגישה את משימתה לקידום האזור
The opening of the Advanced Technologies Park (ATP) adjacent to BGU will be remembered as the turning point in the development of the Negev. The synergy of a hi-tech center that leverages the know-how and research potential of our researchers and students is creating an academia-industry ecosystem conducive to innovation and excellence.

BGU President Rivka Carmi
