In consultation with the Home Front Command, it was decided that there will be no classes as well as tests at Ben-Gurion University of the Negev (on Beer-Sheva campuses only). Students and Staff are requested to follow instructions dispatched by mail, App and on the homepage of the BGU website about studies and other guidelines.

All employees are requested to come to work as usual.

The University Security Department seeks to refresh to the staff and students, the instructions how to behave when a siren sounds:

When a siren sounds, you are requested, within 60 seconds, to enter the protected area closest to you or to one of the following areas:

1. To those in a building - you should choose protection as follows:

   c) In stairwells with no west-facing wall.
   d) A room with a minimum number of windows with no west-facing wall.

In all cases, sit on the floor (below the windowsill level) and lean against an interior wall.

Do not sit in front of windows
2. **To those not in a building**
   a) In a built-up area – enter the nearest building and act according to the instructions for persons taking shelter indoors.

3. **To those travelling in a car**
   a) If possible, stop by the side of the road, leave the vehicle and enter the nearest building or cover. If you are unable to reach a building or shelter within the given period of time, lie on the ground face-down and cover your head with your hands.

4. **Following the event**
   a) After 10 minutes, you may leave the protected area, unless otherwise is instructed.
