Edited by Ilan Troen (Brandeis University/Ben-Gurion University of the Negev) and Natan Aridan (Ben-Gurion University of the Negev)

Israel Studies presents multi-disciplinary scholarship on Israeli history, politics, society, and culture. Each issue includes essays and reports on matters of broad interest reflecting diverse points of view. Temporal boundaries extend to the pre-state period, although emphasis is on the State of Israel. Due recognition is also given to events and phenomena in diaspora communities as they affect the Israeli state.
