

## **KTI Scholarship for Excellence MSc. students in electro-optics and photonics engineering**

### **A. General**

The Scholarship is provided by: KLA-Tencor Israel (KTI) to promote enrollment of excellent students to study MSc in Electro-Optics and Photonics Engineering

This Scholarship is intended in 1<sup>st</sup> priority for new students entering the 2018-2019 academic year; however already enrolled students with exceptional achievements will also be considered as 2<sup>nd</sup> priority.

Scholarships up to 5000\$ will be granted based on excellence

### **Submission of candidacy for additional scholarship:**

### **B. Conditions for submitting candidacy**

These scholarships are intended at 1<sup>st</sup> priority for incoming students beginning their MSc studies in Electro-Optics and Photonics Department for the 2018-2019 academic year and fully dedicate to their studies. Candidates must submit their requests for the scholarship after registering for their Msc studies. Unregistered candidates will not be considered by the scholarship Committee.

Students already enrolled in the M.Sc program having exceptional proved achievements may also apply and will be considered based on funds availability.

### **C. Criteria for the granting of the scholarship**

1. Proven excellence in their previous studies, and in industry (if relevant)
2. Excellent grades in prior degrees.
3. Outstanding achievements in research.

### **D. Guidelines for the submission of candidacy**

The request, in the form of one PDF file, must be submitted to [electrop@bgu.ac.il](mailto:electrop@bgu.ac.il) and must include:

1. Curriculum Vitae.

2. A list of publications, if relevant. Mention the impact factor (IF) and ranking of the journals in which the papers were published, if relevant.

Example:

L. Gao, J. Liang, C. Li, and L. V. Wang, "Single-shot compressed ultrafast photography at one hundred billion frames per second," *Nature* 516, 74-77 (2014). (IF 41.577; Journal ranking 1/64; Q1). [Link to article](#)

3. List of conference papers.
4. List of submitted papers, including the abstract and the details of the journal as described above.
5. Grade sheets from the first and second degrees.
6. Names and email addresses of two referees.

**Submission deadline:** 30 Nov. 2018

### **Obligations of scholarship recipients**

Scholarship recipients make the following commitments to the University:

- a) To complete their research work within 2 years from the date of their acceptance into the M.Sc. studies or, in the case of the direct track, within 3 years.
- b) In cases in which these studies are stopped before the MSc. is granted, the scholarship is to be refunded.
- c) Presenting their research at a meeting with KLA-Tencor.
