

General Assembly and Network Meeting of the HUMANIST Association 15 November 2018, 9.00 – 18.00

The Industrial Engineering and Management Department hosted the second 2018 general assembly and network meeting of the HUMANIST virtual center of excellence. HUMANIST is based on strong member commitment and interest and BGU is a member of HUMANIST. The current members of HUMANIST include 19 research institutes and Universities all across Europe. The choice of activities is determined by the needs and interests of members. The major activities of HUMANIST include, among others, network meetings for all members, conference every two years and summer school every two years. Further information about HUMANIST can be found at: <http://www.humanist-vce.eu/home/>
