Dilemmas in Biotechnology

Seminar B.A. (ת"ת), תשע"ז

Dr. Solomon Cohen

Office Hours:
Semester A: Tuesdays, 12:00-13:00
Semester B: Thursdays, 12:00-13:00

Requirements:
Reading for the week relevant to the upcoming lecture (summarizing the argument of the text + personal opinion)

Course Grade:
Graded on the feedback (5% on each feedback, short work at the end of semester (30% of the total grade) and longer work at the end of the year (50% of the total grade). Active and contributing participation can also contribute to the grade.

Attendance in lectures is mandatory and constitutes a condition for submitting the work.

Course Schedule:
(Keep in mind: This is only a tentative plan; the final plan will be published next year. In any case, changes in the material may occur depending on the dynamic in the lectures; keep an eye on the lecturer's announcements. In any case, the relevant material for each week will be on the course site)
