The course examines the relationship of the EU, Russia and the European countries that emerged from the breakup of the USSR. We indicate three periods in the development and conceptualization of relations between Russia and the European Union: (1) ‘Partnership and Cooperation’; (2) ‘strategic cooperation’ regulated by the ‘Common spaces’ formula; (3) growing rift. We’ll explore the domestic and international contexts of Russia and the post-Soviet states.
The Legacy of the Cold War in Europe: Historical and Theoretical Background

Origins of the Cold War in Europe: Traditionalist, Revisionist and Post-Revisionist Perspectives.
Two Models of Integration in Divided Europe.
Soviet –West European Relations During the 1940s-1950s.
The ‘European Détente’: 1960-1970s.
The Helsinki Accords and Their Impact on the End of the Cold War.
