Welcome to The CITI Program

This page should help you to become acquainted with The CITI Program website as an institutional administrator.

Administrative Access

How To Set Up Administrator Rights for the CITI Program:

If you have never registered before, (you do not have a CITI Program username) please go to https://www.citiprogram.org and register an account in the system by clicking on "New Users Register Here" from the homepage. After selecting your institution from the participating institutions drop down list, follow the prompts to create your account. Once registered please reply to the welcome letter email with your username and we will add administrative rights to your account.

If you already have a CITI Program username, please log into your account and click on the link "affiliate with another institution" from your main menu. Select your institution from the participating institutions drop down list. Once your account has been affiliated with your new institution please reply to the welcome letter email with your username and we will add administrative rights to your account.

Getting Started

The CITI Program Support Center is a valuable tool for administrators and a place your learners can access for support. At citiprogram.desk.com you will find FAQs, Live Chat Support, and the ability to submit a new help desk ticket. While there, don’t forget to RSVP for the next FREE Administrator Webinar.

New Learner Instructions are available at http://www.citiprogram.org/cildocuments/welcome/newleer instructions.pdf Please share this link with your learners.

The CITI Program newsletter can be accessed at http://www.citiprogram.org/cildocuments/communications/CTI_Fall2011Newsletter.pdf.

There are various ways to contact support if you have any questions or concerns. Please visit https://www.citiprogram.org/contactus.asp.

It is our pleasure to work with you and assist you on the future needs of your institution.
Welcome

CITI Login and Registration Page

The CITI Program is a subscription service providing research ethics education to all members of the research community. To participate fully, learners must be affiliated with a CITI participating organization.

The CITI course is a protected site. If you are a new learner at a participating organization you must register to create your own username and password and gain access to the site.
