

## Detailed instructions for carrying out a safety course:

1. Log on to the "Moodle" system using the link provided:

<https://moodle2.bgu.ac.il/moodle/>

2. Identify via secure login:

3. Choose from the navigation menu on the left "My Courses":

4. Choose "refresh safety rules":

5. Enter the tutorial using the link:

6. After completing the tutorial, click "Exit activity" - using the link:

7. Mark "V" in the cube of the statement and then enter the "exam":

**Exam**  
**Note: To avoid any disruption transfer the page to the requested language you choose to be tested**  
**Check the box: I declare that I read and understood the courseware by myself and am ready to pass the exam**

exam

Not available unless: The activity Check the box: I declare that I read and understo... is marked complete

This screenshot shows the exam interface. An orange arrow points to a checkbox next to the declaration statement. Another orange arrow points to the 'exam' label below the declaration. A third orange arrow points to the right edge of the interface.

8. After answering all the questions and receiving the feedback, it is possible to repeat the exam or to submit the final exam:

9 Answer saved  
10 Answer saved

Return to attempt

Confirmation

Once you submit, you will no longer be able to change your answers for this attempt.

Submit all and finish

Friday, 12 October 2018, 12:00 AM.

and finish

You are logged in as p7w3 nux (Log out)

This screenshot shows the exam interface after answering questions. A confirmation dialog box is displayed in the foreground, with an orange arrow pointing to the 'Submit all and finish' button. Another orange arrow points to the 'Return to attempt' button in the background. The dialog box contains the text: 'Once you submit, you will no longer be able to change your answers for this attempt.' The background shows question numbers 9 and 10, both marked 'Answer saved', and a date/time stamp: 'Friday, 12 October 2018, 12:00 AM.' The user is logged in as 'p7w3 nux'.
