

## DECLARATION AND OBLIGATION – STUDY TRIP ABROAD

I the undersigned \_\_\_\_\_, BGU I.D. Number \_\_\_\_\_, do declare and obligate myself to the following:

1. I am a student studying for a \_\_\_\_\_ degree in the \_\_\_\_\_ department, at the Faculty \_\_\_\_\_ at Ben-Gurion University of the Negev (hereafter "the University") and I am interested in going abroad to participate in the study tour/training/conference \_\_\_\_\_ (hereafter "the tour").

2. During this tour I shall behave appropriately and in accordance with the laws of the destination country, and shall also comply with the instructions of the person in charge on behalf of the University.

3. I am aware that I am entitled to take this trip but that it is not an obligation and that I am travelling at my own exclusive responsibility. Accordingly, I declare and confirm that the University is not responsible for any physical damage that may be incurred by me or my property, and that I will not hold the University responsible or press charges against it for any damage incurred during the trip.

4. I know that the University will not be responsible under any circumstances for representing me before the local authorities at the destination and that it will not bear the costs of such representation should the need arise for it.

5. I know that the University will not take out medical insurance (including coverage of road accidents) for me, and I confirm that I was advised to purchase a health insurance policy for myself which will be valid from the moment I board the plane in Israel till I return to Israel and through the entire duration of the trip, and that this policy should cover at a minimum: transportation to a hospital; medical flight within the, country, continent and to Israel; the cost of hospitalization, including payments to doctors, surgical interventions, ICU, ambulatory treatment, tests, X-rays, and medications during hospitalization; medical expenses which a qualified physician has judged to be essential when not hospitalized, including payment to an expert physician, tests, X-rays, prescription medication; dental treatment necessitated by accidents and emergency treatment.

6. I declare that I was advised that the permit is valid on the day it is issued. Therefore, it is my responsibility to routinely check any travel advisories regarding the destination country. If there are any travel warnings, published by the Ministry of Foreign Affairs as well as by the Headquarters for Combating Terrorism regarding the destination country and the tour area, the permit for travel is cancelled.

7. I have read and understood the above content and I hereby request to participate in the tour.

8. I am aware that the University invests large amounts of money to finance this program (including study tour, training and conferences) as well as my participation in it, and consequently that if I should cancel my participation for no adequate reason (as determined by the University) at any time after my airplane ticket was reserved, I will be liable to reimburse to the University the sums that I received and/or that have been (would have been) paid out as part of the travel expenses and which can no longer be cancelled (or a larger sum as specified in the registration forms).
