The Department of Cognitive and Brain Sciences at Ben-Gurion University is seeking to fill a tenure-track, open rank, faculty position, with a start date of October 1, 2020.

We are seeking candidates interested and capable of an interdisciplinary approach to brain and cognition, whose research program focuses on one or more of the following areas:

- Psycholinguistics, neurolinguistics and computational linguistics
- Computational modeling of cognitive capacities
- Cognitive neuroscience
- Clinical neuroscience

Successful individuals are expected to establish, and independently fund a research program that synergizes with the interests of other members of the cognitive and brain science communities at BGU, and to contribute to the teaching and administrative efforts in the department.

Applications should be submitted by e-mail to cogsci@bgu.ac.il. In the subject line of the email please write ‘Application to Tenure track position – Cognitive and Brain Sciences Department’.

Applicants should include a curriculum vitae, research and teaching statements, selected reprints and three letters of recommendation. Applications must be received electronically or postmarked by November 10, 2019.
