

Intensive Courses During Fall Break OF 2021-2022 Academic Year

Course	Lecturar	Course Name	Semester	Credits	Dates	Registration	Remarks	Class
001-2-2043	Prof. Shimon Rachmilevitch	Plant Stress Indications: Methods and Instrumentation	Fall	2	7-9.02	Registration was held during the fall courses registration period	A 3-day intensive workshop offered between Fall and Spring semester, February 7-9, 2022, 8:30-17:00, Agriculture Building, Room 32. Course registration takes place during the registration period for the Fall semester.	32 + Lab
001-2-1200	Prof. Simon Barak	BGU Radio Academy: Podcast production workshop	Spring	2	13-17.02	Registration via the lecturar	A five day intensive course offered during the FALL break in Sede Boker, February 13-17, 2022 . Class No. 1, School Building 48	1
001-2-2066	Prof. Aaron Fait	Metabolomics Laboratory	Fall	2	20-24.02	Registration was held during the fall courses registration period	A five-day Intensive course offered in the FALL Break, February 20-24, 2022, 09:00-14:00, Agriculture Building, Room 32. Course registration takes place during the registration period for the Fall semester.	32 + Lab
001-2-2076	Dr. Nina Kamennaya, Prof. Mike Zubkov	Practical Environmental Cytometry	Fall	2.5	20-24.02	Registration was held during the fall courses registration period	An intensive (08:00 - 17:00) 5 days course offered during the Fall Break, February 20-24 (not final) . Course registration takes place during the registration period for the fall semester.	
001-2-2078	Prof. Noemi Tel-Zur	Principles and Practice of Microscopy	Fall	2	13-17.02	Registration was held during the fall courses registration period	A five-day Intensive course offered in the FALL Break, February 13-17, 2022.09:00-15:00, laboratory and Agriculture Building, Room 32. Course registration takes place during the registration period of the Fall semester.	32 + Lab
001-2-2039	Prof. Naftali Lazarovitch	Advanced modeling of water flow and contaminant transport in porous media using HYDRUS software packages	Spring	2	1-3.03	Registration during the spring courses registration period	A 3-day intensive course offered during the fall break, 1-3.03.2022, 8:00-19:00. Course registration will be conducted by the Akis office.	KAKAL
001-2-2079	Dr. Vered Tzin	Chemical Ecology Spring workshop	Fall	2	7-10.03	Registration was held during the fall courses registration period	3 days intensive course offered during the Fall Break, February 15-18, 2022	
001-2-5005	Prof. Amit Gross, Prof. Zeev Ronen	Laboratory Methods for Environmental Studies	Fall	3	13-23.02	Registration was held during the fall courses registration period	An eight-day intensive course offered during the FALL break, February 13-23, 2022, Water Building, Seminar Room. Course registration takes place during the registration period of the fall semester	Lab
001-2-5068	Dr. Oded Nir	Aqueous Chemistry Modeling with PHREEQC	Fall	2	13-15.03	Registration was held during the fall courses registration period	An intensive workshop offered during the semester break. February 6-10, 2022 (limited to 16 students).	15 water Building

205-2-5021	Prof. Moshe Kiflawi	Methods in Ecology	Fall	3	7-10.02 / 14-17.02	Registration was held during the fall courses registration period	An eight-day intensive course offered during the FALL break in Sede Boker, 7-10.02.2021 + 14-17.02.2021	zoom
