

## ES Seminar

Title:

**Negev Bedouin Communities: Between political opposition and everyday leisure activities**

Speaker:

**Dr. Emir Galilee**

**Ben-Gurion Research Institute for the Study of Israel and Zionism**

Abstract:

Parks of the JNF (Jewish National Fund) provide most of the leisure opportunities in the Negev area. The parks attract Bedouin visitors, as well as other populations, for leisure and recreation. The goal of the research was to understand the leisure patterns of the Bedouin society in JNF's parks, so as to plan the parks in a more suitable way for different populations.

**Dr. Emir Galilee** is a postdoctoral fellow at the Ben Gurion institute for research of Zionism and Israel and a scholar of the Bedouin society of the Negev.
