Dear SJDM Community,

Registration for this year's Virtual Society for Judgment and Decision Making Conference is now live!

To register, please go to :https://sjdm.org/members/confreg.php

All talks at SJDM 2020 will be completely live and synchronous! In order to cover the significant costs for managing and hosting the conference - including infrastructure licensing fees, web-hosting the recorded talks, and around-the-clock technical support - your registration fees are much needed and appreciated. At the same time, we are doing the most to keep the conference registration fees as low as possible.

As a result, this year's registration fee is 67% lower than last year.

  * Student registration fee: $50
  * Faculty/Researcher Basic registration fee: $100

Our mission is for money to not be an obstacle for attending SJDM 2020 for anyone. To make sure that all members of our community are able to attend this year's conference, we are creating two scholarship funds. By the Board's vote, the Diversity Scholarship Fund will waive the registration fee for any PhD student who identifies as an underrepresented group and wishes to do so. In addition, the Covid-19 Scholarship Fund will waive the registration fee for all members of our community who require financial assistance due to budget cuts in the current economic climate.

With that in mind, we encourage all faculty and researchers who are able to do so to contribute to the two scholarship funds by selecting one of the advanced registration fees:

  * Faculty/Researcher Advanced registration fee: $200. In addition to covering your conference attendance, this registration level will sponsor two students or one Faculty/Researcher to attend.
  * Faculty/Researcher Premium registration fee: $300. In addition to covering your own conference attendance, this registration level will sponsor four students or two Faculty/Researchers to attend.

Paypal does not work in some countries. If you are in one of these, you will need the paper registration form, which can be found on the registration website.

We look forward to seeing you at the conference! Abstracts are currently being reviewed, and the program will be available in early November.

If you have any questions, please do not hesitate to ask by emailing VirtualSJDM2020@gmail.com>mailto:VirtualSJDM2020 @gmail.com

Your Virtual Conference Committee,
Julia Minson (Chair), Dan Feiler, Shai Davidai & Tim Pleskac

P.S. Share an office selfie and be part of the nerdy humor on sjdm.org !We are trying to be a little creative with the SJDM conference website. There is normally a big, beautiful picture of the city where the conference will be hosted. This year, instead, we are putting together a collage of JDMer office (or home office) selfies to capture the gestalt virtual conference location. Would you help us out and upload a picture of yourself in your current work set-up? It is quick, easy, and humor is appreciated. Assistants like kids, pets, plants, and "random person in the background" are highly encouraged.
