

Position Name

Tenure-track faculty position in the area of Entrepreneurship /Data science

School/Faculty

Guilford Glazer Faculty of Business and Management

Department/Area

Department of Management

Description

Ben-Gurion University of the Negev's Guilford Glazer Faculty of Business and Management (GGFBM) invites applicants for a full-time, tenure-track faculty position all ranks in the Department of Management (BA). Candidates should have research expertise in entrepreneurship or data science with application in at least one of the core areas of management. All candidates must have a strong quantitative background. Applicants must hold a Ph.D. in one of the aforementioned or related fields, and should provide evidence of outstanding research or potential, as well as excellent teaching abilities.

All candidates should submit a letter of application, detailed curriculum vitae, sample manuscripts and any other relevant materials.

Job responsibilities include research, teaching, and service to the University and the profession. Teaching at Ben-Gurion University is primarily in Hebrew. However, selected courses may be taught in English, and for promising non-Hebrew speaking candidates, teaching in English for the first two years is conceivable.

Guilford Glazer Faculty of Business and Management is committed to high-quality research as well as to educating tomorrow's managers and leaders. Ben-Gurion University of the Negev is among the leading research universities in Israel and the fastest growing. Faculty members are extremely active and productive in research, publishing in leading journals. GGFBM is well known for its young and dynamic faculty members, highly supportive environment, and friendly atmosphere. Ben-Gurion University of the Negev values diversity and is committed to equal opportunity in employment.
