- We work in 23 different time zones

General Motors - Advanced Technical Center Israel

General Motors Israel was established at 2008 with a clear vision to be a **leader in the future of advanced and autonomous vehicles**.

We are located in Herzelia and have ~200 talents working in our site.

The technical domains and ongoing work streams include software groups (research, development and engineering) that work on the most complex issues and challenges facing the new mobility era.

We are working on **Active Safety**, **Smart Sensing**, **Vision Systems**, **Signal Processing**, **Machine Learning**, **Sensor Fusion**, **Artificial Intelligence** and **Cognitive Systems**.

We shape the face of the future vehicles in diverse fields by developing cutting edge technologies.

OUR BRANDS

CHEVROLET: An innovative range of award-winning, affordable and fuel-efficient cars, trucks, and SUVs.

OPEL: We live and breathe the German commitment to quality.

BUICK: Award-winning, modern luxury sedans and crossovers, marrying sculpted design, fuel-efficiency, spirited performance and advanced technology.

CADILLAC: The bold, daring and original Cadillac lineup seamlessly blends driving dynamics, refinement and technology.

VAUXHALL: Vauxhall has always emphasized forward thinking – creating exciting, clever designs that anticipate customers' needs and set the trends.

GMC: Purpose-built vehicles reaching a higher standard through engineering excellence and innovation.

HOLDEN: One of only seven fully integrated global General Motors operations that designs, builds and sells vehicles for Australia and the world.

WULING: With the goal of enriching customers' lives, Wuling provides affordable small and mini-car products to meet the needs of both individual and commercial customers in China and other global markets.

BAOJUN: As General Motors' youngest brand in China, Baojun means "trustworthy companion" and gives first-time buyers access to reliable, attractive vehicles that meet high-quality, global standards

JIEFANG: "Driven by Global Strength," Jiefang offers a range of high-quality light-duty trucks - from entry-level to mid-size to high-end models.

Who we are and why we are here?

- We earn customers for life
- Our brands inspire passion and loyalty
- We translate breakthrough technologies into vehicles and experiences that people love
- We serve and improve the communities in which we live and work.

We are creating a new mobility area!
