

7 years of international research students at BGU - Our efforts for global recruitment are showing!

International research students at BGU by degree (2016-2022)

Highlights of 2023 Work Plan

- Increase the number and expand the scope of active academic partnerships
- Develop, promote and maintain study programs in English in all degree levels
- Develop new target markets

Finally, the Welcome Center for international staff and students at BGU is being established!

The center will be a one-stop shop servicing all administrative needs of international students and staff at BGU and their families. It will be located in the Cukier, Goldstein-Goren Building for the Humanities and Social Sciences (72, Floor 3).

Stay tuned for grand opening after renovation is completed.

Prof. Limor Aharonson-Daniel
VP for Global Engagement
