**RE: Update of Insurance Premiums for Foreigners in Israel, January 2021**

Dear Sir/Madam,

1. We would like to inform you that the premiums for medical insurance will be updated as of January 1, 2021. As you surely realize, due to the COVID-19 pandemic, there has been an increase in the past 10 months in the demand for medical services. In addition, changes in the cost of essential utilities, such as electricity, water and the like also affect the cost of the medical services provided to all Israelis, as well as foreigners in Israel.
2. In light of these factors, Harel Insurance Company is forced to adjust its insurance premiums, as well.
3. From January 1, 2021, the daily premiums per person will be as follows:  
  
UMS policy: \$2.85/day up to age 65  
  
Prestige policy: \$3.20/day up to age 65

We are always pleased to be of service.

Sincerely,  
Amos Gilboa  
Director, the Division of Overseas
