Women in Academia**

**The Jacob Blaustein Institutes for
Desert Research representative**

Dear Ladies,

I am writing as your BIDR faculty representative at the university-wide committee for the advancement of women at BGU. If you are new, welcome to our beautiful campus.

Every year we arrange a get together of all female students on our BIDR campus. Around nice refreshments we hope to hear each other and speak about our unique position as women in academic life.

We had scheduled our next meeting for
Monday December 19th at 12:30.

Please mark your calendars and prepare to join us at the **Kakal Building** for this get-together.

Make sure to RSVP to cochy@bgu.ac.il

Hope to see many of you there.

best regards

Prof. Pnina Motzafi-Haller
