Present Academic Activities

Research in progress

1. Druze identity and education, with Sylvia Saba-Sa'di, expected date of completion, Sept. 2015. The aim of this research is to explore how the official policy of bolstering Druze particularism was translated in educational policies. The research relies on archival documents as well as interviews with Druze teachers.
2. Subjectivity and political control (will begin in January 2017)
