Description and requirements

A. Purpose

One of the central purposes of the course is to facilitate *Advanced B Science and Technology (ABT)* level students with reading and comprehension of Technology/Science texts in English. The course will focus on topics and texts that are relevant to the students' academic literacy. To advance reading comprehension, students will engage in in-class and out-of-class tasks that focus on scientific/academic content and language. They will be exposed to three more skills: writing, listening comprehension and oral reports and tested on all four skills.

B. Materials

Course reading materials will be posted on Moodle so students should check Moodle for .1
the upcoming reference each day after class

Sometimes, students may be asked to search the Internet and the BGU library for a .2
selection of texts

Dictionary: Choose the format you are most comfortable with. .3

**No Quicktionaries, no smart phone dictionaries, no smart watches, no laptops or
tablets are allowed on exams.**

Use of such tools in class is at the teacher's discretion.

→ Dictionaries may not be shared nor may they beep during exams.

C. Departmental (BGU) rules:

Full attendance is mandatory from the first week of the semester. A student is allowed to .1 miss up to two lessons (20%) as long as **relevant documentation is provided**. Missing **more than two** lessons will result in a failing course grade (700).

Bringing the assigned texts to class. .2

Completing class and home assignments and handing them in on time when requested to .3 do so.

A student without a class grade will not be allowed to take the final exam and the final .4 course grade will be 700.
