

We are currently looking for a postdoc fellow for 2022-2023 year (flexible start date) for a research project, funded by the ISF, which deals with helping behaviors in organizations.

Relevant candidates are those who have completed a PhD in the field of experimental behavioral research (social psychology, organizational behavior, marketing, decision making), have mastery in statistical analysis methods, experimental programming, and academic writing.

Relevant candidates are requested to email their CVs including the contact information of two recommenders.

Please contact us for further information.

Sincerely,

Dr. Ilanit SimanTov-Nachlieli, ilanitsn@tauex.tau.ac.il

Prof. Daniel Heller, dheller@tauex.tau.ac.il

Coller School of Management, Tel Aviv University.
