

The Jacob Blaustein Institutes for Desert Research (BIDR)

- 1. BIDR Entrance
- 2. Desert Architecture
- 3. Social Studies
- 4. Laboratories A
- 5. Aquaculture
- 7. Student Center
- 8. Laboratories B
- 9. Seminar Room
- 10. Hydrology Workshop
- 11. Aquaculture Library
- 13. Vickar Information Center
- 14. Zuckerberg Institute for Water Research
- 17. Desalination and Water Treatment Pilot-Plant
- 18. Ecophysiology and Introduction of Desert Plants
- 19. George Evens Family Auditorium

- 20. Jane Schapiro Library
- 21. BIDR Administration
- 22. Desert Plants Garden
- 23. Agricultural Research Park
- 24. Forest Goldman-Sonnenfeldt Building for Solar Energy & Environmental Physics
- 25. French Associates Institute for Agriculture & Biotechnology of Drylands
- 26. Solar Energy
- 27. Logistics
- 28. Workshops
- 31. Adobe House
- 47. Albert Katz International School for Desert Studies
- 48. Computer Room, Classrooms
- 49. American Associates Village at Sede Boqer

Zuckerberg Institute for Water Research

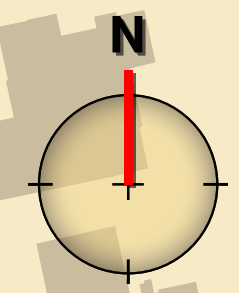

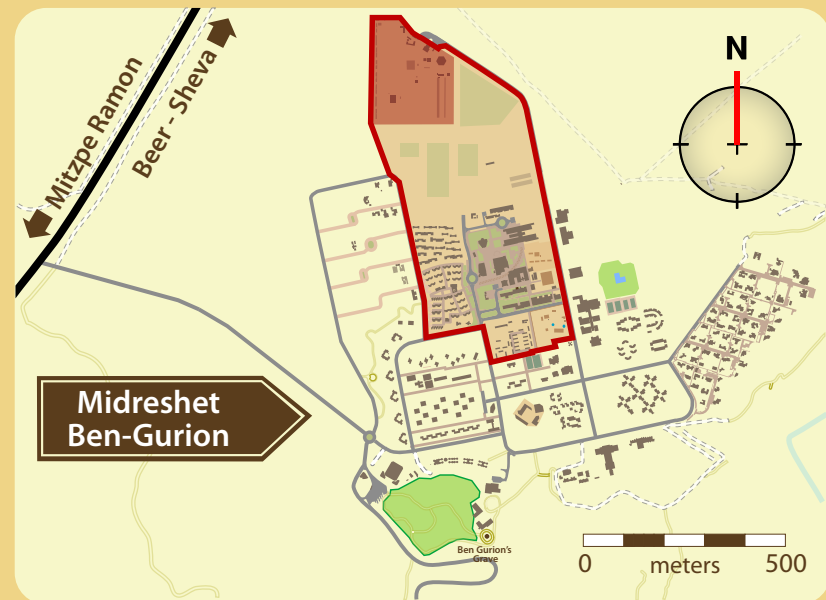

Dept. of Environmental Hydrology and Microbiology ... Building 14
 Dept. for Desalination and Water Treatment ... Building 14

French Associates Institute for Agriculture & Biotechnology of Drylands

Albert Katz Dept. of Dryland Agriculture & Biotechnologies ... Building 25
 Wyler Dept. of Dryland Agriculture ... Building 25

Swiss Institute for Dryland Environmental & Energy Research

Dept. of Solar Energy and Environmental Physics ... Building 24
 Marco and Louise Mitrani Dept. of Desert Ecology ... Building 25
 Dept. of Man in the Desert ... Buildings 2-3

Desert Architecture and Urban Planning ~ Graphic design: Kobi Nahon ~ Photography: Wolfgang Motzafi-Haller
